[Presently Amended] ~~The display of claim 5 wherein the support means comprises at least one suction cup.~~ To aid singing in a shower enclosure having at least one vertical surface, a waterproof lyrics display comprising: at least one page of song lyrics, said page being relatively flat and thin and waterproof to water from the shower and suction support means readily attachable to and detachable from the vertical wall surface, enabling the support to be attached by suction to the surface at different levels, and means for detachably attaching the page of song lyrics to the suction support means.

8. [Presently Amended] The display of claim 7 wherein said pages have holes and said suction ~~cup~~ support means engages said holes in said pages, said holes being positioned so that the pages hang with said lyrics substantially horizontal, and said holes being sufficiently large to enable easy turning of pages.

9. [Presently Amended] The display of claim 8 wherein ~~there are~~ the support means comprise two suction cups fixed at equal height on the shower enclosure, a cover is attached to the pages, and wherein said holes pierce all said pages and cover, and wherein turning of said pages disengages them from one suction cup and engages them with the other.

10. [Original] The display of claim 9 wherein said two suction cups have a diameter

measured at the shower enclosure surface, and a distance apart center-to-center such that said cups can be positioned on the surface without overlapping any joints in commonly found patterns of modular bathroom tile.

11. [Presently Amended] The display of claim 10 wherein said diameter measured at the enclosure surface is at least 2.5 inches or less, and said distance apart is 8.5 to 9.5 inches.

12. [Original] The display of claim 8 wherein said holes are pierced in said book on the side opposite said binding, and said book when supported on said vertical surface has its binding horizontal and opens vertically.

AI
13. [Presently Amended] The display of claim 2 7 wherein said support means comprises a bracket fixed to a said surface of said shower enclosure.

14. [Original] The display of claim 13 wherein said bracket includes a suction cup portion and is easily moveable on the shower enclosure to eye levels of people of varying height.

15. [Cancelled] The display of claim 5 wherein the support means comprises a thin layer of water, located between the book and the shower enclosure, attaching the book to the enclosure by water adhesion.

16. [Original] The display of claim 5 wherein the pages when wetted adhere to one

another by water adhesion.

17. [Original] The display of claim 5 2 wherein the support means comprises water adhesion and at least one suction cup.

18. [Presently Amended] The display of claim 1 wherein the said vertical surface is a shower curtain ~~and the support means is water adhesion.~~

19. [Original] The display of claim 8 wherein said suction cup has a projecting peg portion having a length, a top, and a rounded end, said length being sufficient to pass through said holes supporting the pages of said book, and said top slanting slightly upwards towards said rounded end, whereby all pages of said book can be supported and retained, yet are easily disengaged for turning.

20. [Cancelled] A method of locating the suction cups of claim 9, comprising: fixing one suction cup to said surface; hanging said book thereon; and opening said book, whereby said holes locate the second suction cup.

21. [Original] The display of claim 14 wherein the bracket and suction cup are molded of a single material 4 inches long or less.

22. [Presently Amended] The display of claim 7 wherein there are multiple pages forming

a book, said book has a cover and said suction support means comprises least one suction cup integral to said cover.

23. [Presently Amended] The display of claim 7 wherein there are multiple pages forming a book with a cover, and said suction support means comprises at least one double-sided suction cup attaching said cover to the shower enclosure.

24. [Original] The display of claim 5 wherein the book has slim proportions and a cover area sufficiently large to enable support of the book on a shower wall by water adhesion.

25. [Original] The display of claim 24 wherein the proportions fall between those of 8.5" x 11" x 1/4" and 5.5" x 8.5" x 1/16".

26. [Original] The display of claim 24 wherein the cover measures at least 8.5" x 11".

27. [Original] The display of claim 1 wherein the lyrics are printed in sufficiently large font to enable easy readings at eye level on the wall surface wall in down pouring water behind a closed shower curtain.
